Frequently Asked Questions:

Q: How does "The Bridging Model" differ from other psychedelic facilitator training programs?

A: "The Bridging Model" stands out in a number of ways. 1. Our unique approach radically centers the participant as the authority on their own process. 2. Our approach is for both clinicians and proudly competent laymen who are By emphasizing the integration of mystical insights with practical applications, we provide an extremely powerful framework that combines the spiritual and scientific aspects of psychedelic therapy, offering a holistic approach to facilitating transformative experiences.

Q: What psychedelic substances will I learn about?

"The Bridging Model" covers a broad spectrum of psychedelic substances, but we will be placing a strategic emphasis on ketamine, and psilocybin.

Q: What is the duration and format of "The Bridging Model" course?

12 weeks beginning May 21st, 2024 and continue every Wednesday night at 6pm - 8:30pm.

Participants must be committed to all 12 of these classes, or will need to wait for the next cohort to gain full credit.

Fall Cohort Dates:

- Sept. 18th, 25th
- Oct. 2nd, 9th, 16th, 23rd, 29th
- Nov. 6th, 13th, 19th 26th
- Dec. 4th, 11th

Q: Will I receive certificate of completing "The Bridging Model" course?

Yes, upon successful completion of the course requirements, participants will receive a certificate of completion that you may use as part of your vite, resumé or portfolio. This certification validates your knowledge and competence in psychedelic facilitation according to "The Bridging Model" approach.

Will I have access to ongoing support and resources after the course?

Absolutely. We believe in the importance of continued support and growth. Upon completion, you will have access to a community of like-minded individuals and ongoing resources, including integration support, research updates, and networking opportunities.

Is this course suitable for beginners with no prior experience in psychedelics or therapy?

Yes, The Bridging Model course welcomes participants from various backgrounds, including beginners. It is designed to provide a solid foundation and equip participants with the necessary knowledge and skills to become competent psychedelic facilitators.

Tell me more about the courses philosophy

This course is designed to empower facilitators to empower their clients and participants, "Bridge" the gap between the profound and the practical, ensuring lasting impact and meaningful change for clients.

Where are courses held?

Courses last 2.5 hours on Wednesday nights and are held at Singularism in Provo, Utah.

I don't have a masters degree, can I still participate?

Yes, the course is open to all qualifying applicants, many of which have a masters degree, however, a genuine interest in the field of psychedelic therapy and a commitment to personal growth are essential.

It's called The Bridging-
Model because:

1. The Bridging Model
"bridges" the realms of
mysticism and science in
psychedelic facilitation, in
